Condition of Membership Statement

I am aware that participating in IPSC competition is a potentially dangerous undertaking and that I participate in that activity at my own risk. I acknowledge that the Pine Valley Pistol Club Inc Management Committee, (which term includes all persons involved in the designing, constructing and administering of the competition, the host Club, its Committee, members, servants or agents), cannot control a range of matters that will create or vary risks to my health and safety. Such things include the weather, deterioration of range surfaces through use, personal attributes such as my fitness and level of expertise and my approach to the challenges presented in the sport of IPSC.

I am also aware that it is a condition of my membership that the Management Committee and club members are absolved from all liability arising from injury to me arising in any way out of my participation in any competition or in any way whatsoever due to any negligent act, breach of duty, default and/or omission on the part of the Club.

I am also aware that any person participating in IPSC competition at this range is only allowed to do so on the distinct understanding that they do so at their own risk.

I ACKNOWLEDGE that of my own free will and desire I have contracted with the Club to be a member and to participate in IPSC competition and that I have read and understood the warning above.
